

Dear Family and Civil Law Attorneys:

**We need your help!** The Volunteer Attorney Program of New Mexico Legal Aid is holding our second statewide teleclinic on **Thursday, May 16, 2024!**

To assist as many low-income New Mexicans as apply, the Volunteer Attorney Program needs several volunteers to provide 30- minute telephonic consultations on May 16<sup>th</sup>. **We greatly appreciate any amount of help you can provide to ensure the success of this event.**

Legal consultations will take place via telephone. Volunteer attorneys will receive a conflict list and case assignment(s) in advance of the event. Attorneys will call the clients between the hours of **1:00 p.m. and 4:00 p.m. on May 16<sup>th</sup>.**

Please note that **we are not asking you to take on cases for full or partial representation**, but rather, to provide brief advice and counsel during your phone call with the client. All clients have signed an Assistance Statement indicating that they understand the one-time, limited nature of the legal consultation.

The Access to Justice Commission provides malpractice insurance to volunteers for all consultations with pro bono clients only **during** the designated Teleclinic hours.

Sincerely,
